About SRTM University, Nanded:

Swami Ramanand Teerth Marathwada University, Nanded was established on September 17th, 1994 by the Government of Maharashtra. The University caters to the southern part of the Marathwada region of Maharashtra covering four districts namely, Nanded, Latur, Parbhani and Hingoli. This university obtained 2(f) and 12(B) recognition of UGC and achieved recognition, name and fame at the state, national and international level in the area of academic, research and innovation and extension activities. NAAC re-accredited 'B++' grade with CGPA 2.96 to University.

University has 14 schools on main campus, 4 schools at sub-campus, Latur and a sub-campus at Parbhani; a constituent college New Model Degree College at Hingoli and academic and research centres like Dr. Babasaheb Ambedkar Chair and Study Centre, Shri Guru Govind Singhji Adhyasan Sankul and Research Centre, Women's Study Centre at the main campus and Late Uttamrao Rathod Tribal Development and Research Centre at Kinwat. University has 300 plus affiliated colleges under its jurisdiction offering 146 programmes with student strength of 1.63 lakhs and 4000 plus students through distance education mode offering programs in science and technology, humanities, commerce and management and interdisciplinary studies. University hosts more than 70 foreign students across five countries. University received financial assistance from RUSA, DST, UGC, etc. for development of academic infrastructure amenities, research and extension activities. Teachers have invented, patented and commercialized many ideas. Teachers have got research projects worth Rs. 12.5 crores, whose academic and social value is remarkable. Teachers and students have many publications in peer reviewed journals to their credit and received recognition at the national and international level.

About the Professional Development Programme:

Training programme is the field which is concerned with organizational/University activity aimed to improve the performance of individuals and groups in organizational/University setting. It is a combined role often called human resources development (HRD) meaning the development of "Human" resources to remain competitive in the marketplace. Training focuses on doing activities today to develop employees for their current jobs and development is preparing employees for future roles and responsibilities. It carries out an analysis that the objective of training programme is to reative learning organizations. Which ensure that employees through value addition can effectively perform their jobs, gains competitive advantage and seek self-growth: this measurable performance resulting from good training and development, shall enhance organization development? It is a process transferring information and knowledge to employers. It is equipping employers to translate that information and knowledge into practice with a view to enhancing organization effectiveness and productivity, and the quality of a management of people. It should be considered along with education policies and systems which are crucial to the development of human resources.

Objectives of the Programme:

- To enhance computer related skills.
- To develop positive attitude and behavior of the employees towards organization.
- To improve the work culture in the University/College by promoting ethics and moral values amongst the employees.
- To increase the work efficiency and effectiveness of the employees working in the University/colleges
- To understand report writing, official note and official communication.
- To understand University Act, Statutes, MCSR, Ordinances, GR, etc.
