Online Examination System

Face Recognition

Please upload your admit card (JPG, less than 100 KB) and look into the camera

Important: If the admit card is found to be invalid during audit, you will be debarred from the exam.

Upload Admin Card / Face ID (JPG)

Select file
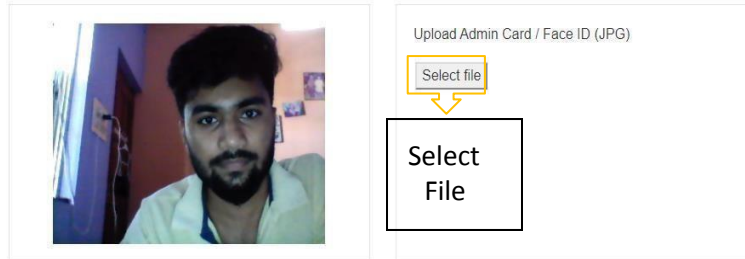

Select
File

Hall Ticket Photo ID Verification

- Please click on "Select File" & upload your Photo ID.
- Photo ID must be in JPG format only.
- The scanned image size must be less than 100kb.
- Look into the webcam so that the system verifies your face for authentication.
- During authentication if your face does not match with the uploaded photo Id you will be not be allowed to start the examinations.
- Your exam timer will start after the successful face recognition process.

Webcam/Video Capturing

- The Webcam captures your face randomly for security purposes and verifies various aspects to ensure integrity of examinations.
- We will be monitoring the examination. Any malpractices found on your end will disallow you to continue the examinations. You will see various warnings before you disconnect.
- Please be alone in the room during the examination.
- Ensure there is no noise or talking in the room during the examination.
- During monitoring if more than one person is found in the nearby areas your examination will be put on hold and further action would be taken.

Description

Examination page is displayed to user after successful login. Following sections explain different parts of examination page.

- **Candidate's Information**

  - Candidate's full name is displayed at top-left of the page.

- **Timer**

  - Your remaining exam time will be displayed at top-right of the page.

- **Question Information**

  - Question number, marks for question, bookmark and Invalid status of question is displayed in this section which appears below the top row.

- **Question Description**

  - This section (light gray box) is the actual question displayed to user.

- **Options**
  - This section displays all options available for the question displayed above. Candidate should click on one of the options to mark their answer.

- **Navigation**
  - Bottom-center of exam page has four navigation links (First, Previous, Next, Last) to move across questions.

- **Questions, Bookmark and Invalid**
  - Bottom-left of the page has three buttons. Clicking on "Questions" buttons shows list of questions (Explained later). Clicking on "Bookmark" button adds a bookmark icon to the question in case user wants to revisit (go back to) the question later.

  - Clicking on "Invalid" button adds Invalid icon to the question in case user believes the answers are incorrect.

- **Clear and Submit Test**
  - Bottom-right of the page has two buttons. Clicking on "Clear" deselects option if candidate has selected one. Clicking on "Submit Test" button prompts candidate to confirm that candidate wants to submit/end test.

☐ **Select Option**

- ☐ Clicking on one of the radio buttons next to option selects and saves the option for the question displayed. If the option is saved successfully, a green notification bar confirming save is displayed at top of the page.

☐ **Saved Message**

- ☐ A green notification bar confirming save is displayed at top of the page. In case of any error, a red bar appears. Candidate should immediately notify administrators in case of error.
- ☐ Candidate should close his browser, post his query on the Support group to get solution for his query and login again.
- ☐ Candidate's will be allowed for maximum re-login count of 3.
