PART - I
GENERAL GUIDELINES

Savitribai Phule Pune University

(Formerly University of Pune)

1. PREAMBLE

SavitribaiPhule Pune University started a research grant scheme in the year 2006, initially with the name 'BCUD Research Project Scheme', with initial budgetary provision of Rs.5 Crore. The scheme was aimed at providing initial seed funding to budding researcher teachers, so as to develop them to apply for larger funding to various funding agencies outside. Subsequent to an overview of the functioning and performance of the scheme over last 12 years, the Hon'ble Vice Chancellor constituted an Advisory Committee under the Chairmanship of Prof. S.Ananthakrishnan to frame the guidelines, monitoring processes and scrutinize the proposals. The Advisory Committee recommended a need to restructure the scheme with following purpose:

- a) To develop a systematic mechanism for tracking the performance of the scheme, both at individual proposal level and at gross level.
- b) To make the process of approval of the proposal transparent and strictly on merit involving national level subject experts for scrutiny and assessment of the proposals.
- c) To develop a mechanism to monitor progress of the proposals periodically against stated goals.

Based on the recommendations of the Committee, following guidelines are hereby being issued for the restructured scheme.

2. AIMS & OBJECTIVES

With a purpose of broadening the footprint of the novel initiative as well as to provide for intrinsic accountability and outcome-orientation, the scheme is hereby being revised and restructured as per the guidelines here. The scheme is being renamed as 'Assistance by SPPU for Project-based Innovative Research' with its acronym ASPIRE.

The scheme aims at promotion of research culture in the affiliated institutions and recognized institutes in closer collaboration with the university campus. It also intends to provide guidance, mentorship and financial assistance to young teachers so as to develop them as researchers in the near future. The scheme shall identify talented researchers with proven track record and support them to realize their innovative and original research ideas into impactful research outcome.

Through this scheme, the university shall strive to develop a research ecosystem for affiliated colleges, recognized institutes and university departments, where every competent and willing researcher shall be given opportunity for furtherance of his research interests. The scheme will enable close interaction with industry and society to develop useful technologies and intellectual properties.

3. ELIGIBILITY

The Scheme shall have following two programs and target beneficiary groups viz.
