We are truly happy to be associated with you as a Knowledge Partner since 2014. Appreciate your initiative and efforts to have successfully trained 163256 students in Savitribai Phule Pune university.

As the new semester has already started this is the right time to plan for the training, colleges have to plan the trainings and test as early as possible so that I can help them to start the training smoothly. In this connection, I wish to inform you of a recent policy change come to us from MHRD Govt. Of India. **Effective July, 2018 we are expected to charge an annual amount of Rs. 25000 from the colleges availing Spoken Tutorial Training Program.** The decision has been driven by the fact that we are a mature and successful program, therefore from now on we need to generate revenue and sustain our Project Financially on our own. Spoken Tutorial is charging nominal yearly amount with no limit on

1. Number of students trained
2. Number of students taking tests and certificates
3. Number of Faculty trained
4. Number of Faculty taking test and certificates
5. Spoken Tutorial Courses fulfill the MOOCs requirement by MHRD GoI (AICTE & UGC) which can be reported in various reviews.

Immediate Next steps for Principal/Directors:
