In the year 2023 more than 72,000 Educational institutes and more than 6,50,000 students participated. The icing on the cake was that 103 foreign countries also participated in this completion.

In the year 2024 more than 45,022 Educational institutes and more than 7,09,173 students participated. The icing on the cake was that 107 foreign countries also participated in this completion. This year we are expecting much more participation than previous three years.
