

Savitribai Phule Pune University
Centre for Energy Studies
(formerly School of Energy studies)

Admissions open for Vacant Seats for M. Tech. (Energy Technology) (AC Year 2022-23)

Shape your career in the field of Energy: Energy is essential to life and all living organisms. Energy growth is directly linked to well-being and prosperity of individuals and thus growth of the nation. Meeting the growing demand for energy in a safe and environmentally responsible manner is a key challenge.

The M. Tech. (Energy Technology) program of Centre for Energy Studies, Savitribai Phule Pune University covers Energy Conversion, Energy Utilization, and Energy Conservation (Energy Efficiency).

The program offers electives and specialization courses in Data Analytics for Energy Systems, Solar Photovoltaic Systems, Solar Thermal Systems, Wind Energy Systems, Energy Storage, and Waste to Energy, etc. We also cover projects and add-on courses for aligning the career of students for upcoming fields of Electric Vehicles (EVs), Battery Energy Storage Technologies, and Energy Efficiency etc.

The teaching faculty for the course is also drawn from industry and the faculty members share their field experience as well as live project experience with the students during the course. The course helps students to prepare for the BEE Energy Auditor and Energy Manager Certification examinations.

Eligibility: The M. Tech. (Energy Technology) is a two year (4 semester) fulltime course.

Candidates with B. E. / B. Tech. in any branches are eligible for admission.

The GATE qualified candidates with valid score are preferred for the admission.

The course syllabus can be found on department's website:

http://unipune.ac.in/snc/school_of_energy_studies/default.htm

Admission: Applications are invited for direct admission to the course in the academic year 2022-2023. Please visit SPPU Campus Admission web portal (<https://campus.unipune.ac.in/CCEP/Login.aspx>) to register and apply online. Please fill the required profile details and e-mail the user-ID / e-mail ID to hodenergy@unipune.ac.in

For any clarification, please call Dr Adinath Funde (08055658122) or Dr Anagha Pathak (09823021066)
