

# 🔬 Discover the Invisible World! An Introductory Microbiology Workshop

For Students of Standard 9<sup>th</sup> onwards

Organized by:  
Department of Microbiology.  
Savitribai Phule Pune University  
& Centre for Molecular Diagnostics

## Why Join?

- Explore the fascinating world of microbes!
- Learn how hygiene can keep you healthy
- See microorganisms under the microscope
- Try hands-on lab techniques used by real scientists
- Discover exciting career paths in microbiology

## Workshop Topics:

- Introduction to Microbes
- Hand, Respiratory & Food Hygiene
- Microscopy & Sample Collection
- Bacterial Isolation
- Scope & Career Prospects in Microbiology

## What's Special?

- Interactive Hands-on Training
- Study Material & Registration Kit
- Certificate upon Completion
- Sessions with Expert Microbiologists
- Career Guidance and Q&A

## Schedule

Batch I: 26<sup>th</sup> - 30 May 2025  
(Monday to Friday)

Batch II: 2<sup>nd</sup> - 6 June 2025  
(Monday to Friday)

Time: 10:00 AM onwards

Venue: Department of Microbiology, SPPU

**FEES: RS 1500/-**
