

ABOUT THE DEPARTMENT

The department of Microbiology was established in 1977. It is now a widely recognized as a Centre for Excellence in Microbiology, both with respect to teaching and research. More than thousand students have completed their Masters program and more than 70 have completed the doctoral program from the department. The alumni of the department occupy positions of great responsibility in a myriad of institutions all over the world. The department has been providing an environment that fosters continuous improvement and innovation in the subject by inculcating required skills in students towards their development through discussion sessions, Saturday meets, visits at research facilities and industries, Science Exhibitions, and public service exams. The department, served by highly accomplished faculty and friendly administrative staff, strives to nurture high moral values in students to live up to their civic responsibilities.

DEPARTMENT FACULTY

Prof. Karishma Pardesi, Head
Dr. Anupama Pable, Asso. Professor
Dr. Surekha Satpute, Asst. Professor
Dr. Atul Bharde, Asst. Professor
Dr. Umesh Jadhav, Asst. Professor
Dr. Ekta Kamble, Asst. Professor
Ms. Sakshi Tawre, Asst. Professor

ORGANISING COMMITTEE

Prof. Karishma Pardesi, Head
Dr. Surekha Satpute, Student Welfare Officer
Dr. Ekta Kamble, Co-ordinator
PhD. Scholars and Project Students

Savitribai Phule Pune University

Department of Microbiology
(Supported by DST-FIST)

Welcomes you to a Three Day
Antimicrobial Resistance Awareness Program

Knowledge, Cleanliness and Care: Tools to Beat Antimicrobial Resistance
(Quiz, Oral & Poster Presentations, Interactive sessions, Street Drama)

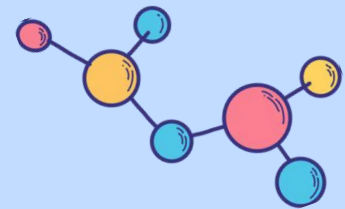

Funded by

Board of Student Development (BSD)
SAVITRIBAI PHULE PUNE UNIVERSITY

DATE : 3 FEBRUARY - 5 FEBRUARY
TIME : 10.00 AM ONWARDS

VENUE: DEPARTMENT OF MICROBIOLOGY,
SAVITRIBAI PHULE PUNE UNIVERSITY

COMPETITIONS

ORAL PRESENTATION

- This oral presentation session is exclusively for PhD scholars, providing a focused platform to present ideas, share insights, and engage in meaningful scientific discussion. It encourages clear communication, confidence, and creative expression of research concepts.

- 📄 Eligibility: Ph.D. Scholars, Research/ Project Assistants
- 📅 Abstract Submission Deadline: 25th January 2026, 5:00 PM
- 📍 Venue: Department of Microbiology
- 📝 Register Here: <https://forms.gle/bHw3PMBHCarfcBDJ6>

POSTERS

- The poster presentation session provides an engaging platform for students to visually showcase their research, ideas, and innovations. It encourages effective scientific storytelling through clear design and discussion, fostering interaction, knowledge exchange, and collaborative learning in a vibrant academic setting.

- 📄 Eligibility: Post-Graduates
- 📅 Abstract Submission Deadline: 25th January 2026, 5:00 PM
- 📍 Venue: Department of Microbiology
- 📝 Register Here: <https://forms.gle/ABAFyDZhDBcqo57v6>

QUIZ

- Get ready to challenge your knowledge at BioWhiz, an exhilarating quiz competition! This is your chance to showcase your expertise in Life Sciences and General Knowledge while competing in a thrilling and engaging environment.

- 📄 Eligibility :Under-Graduates
- 📅 Abstract Submission Deadline: 25th January 2026, 5:00 PM
- 📍 Venue: Department of Microbiology
- 📝 Register Here: <https://forms.gle/ACPK4o3QPjd1xN2B9>

Note: The Google Forms will be activated soon. Selected Candidates for the Oral and Poster Presentation would be Notified via an E-Mail.

Certificates for the participants and exciting prizes for winners
