## Quality of Life and Reading

### Lecture 3

**January 27, 2026**  
**3.00 pm to 4.00 pm**

#### About the Session

Reading plays a vital role in enhancing quality of life by nurturing knowledge, critical thinking, and emotional well-being. It broadens perspectives, reduces stress, improves communication skills, and fosters lifelong learning. By encouraging curiosity and empathy, reading empowers individuals to make informed decisions and engage meaningfully with society, thereby contributing to personal growth and a more enlightened community.

Reading has transformed many lives through inspiring journeys. We are happy to share one such success story with you—the story of Prof. Pandit Vidyasagar.

Dr. Pandit Vidyasagar is a renowned educationist and academic administrator with State and national recognition. His research contributions have been acknowledged at International level in the field of Bio-physics. A former Professor and Head of Physics at Savitribai Phule Pune University, he has guided 16 Ph.D. and 19 M.Phil. scholars and authored 18 books. His accolades include the G. R. Paranjape Award, National Education Leadership Award (2014), Shikshan Maharshi Dr. Panjabrao Deshmukh Memorial Award, and Vidya Vyas Award. He has held key positions including Director, BCUD, SPPU, Acting Vice-Chancellor of Dr. Babasaheb Ambedkar Marathwada University, and former Vice-Chancellor of Swami Ramanand Teerth Marathwada University, Nanded.
