Hands-on Training Sessions - 2026

FOSTERING INNOVATION THROUGH DYNAMIC EXPERIMENTAL LEARNING

THIS YEAR, CSEC IS GOING FURTHER. WE'VE ADDED GEOGRAPHY TO OUR SCIENCE AND MATH LINEUP TO HELP STUDENTS CONNECT THE DOTS BETWEEN THE LAB AND THE LANDSCAPE. WHILE THE LAWS OF SCIENCE DON'T CHANGE, OUR EXPERIMENTS DO! WE'VE REFRESHED OUR CURRICULUM WITH BRAND-NEW HANDS-ON ACTIVITIES TO KEEP EVERY SESSION EXCITING. DISCOVER THE SAME GREAT SCIENCE THROUGH A WHOLE NEW LENS.
