Date: 13/07/2026

The Department of Foreign Languages, Savitribai Phule Pune University (SPPU), is proud to announce that **13 students** from its Russian Language Part-Time Courses have been selected to participate in a **15-day Summer School Programme** at **RUDN University (Russian People's Friendship University), Moscow**, under the academic Memorandum of Understanding (MoU) between the two universities.

SPPU and RUDN University have maintained an academic partnership since **2018**, through which several collaborative initiatives have been successfully conducted. As part of this collaboration, RUDN has been offering free online Russian language courses to students of the Department of Foreign Languages. **This is the second consecutive year that students from the Department have been selected to attend the Summer School at RUDN University**, reflecting the strength of the partnership and the growing opportunities available to SPPU students.

The selected students will attend a **15-day Russian language and culture programme**, beginning on **14 July 2026**, conducted by the **Russian as a Foreign Language Department** of RUDN University. The programme will provide students with valuable international exposure, enhance their Russian language proficiency, and offer first-hand experience of Russian culture.

As part of the ongoing collaboration, both institutions are also planning to establish a **RUDN Centre** at the Department of Foreign Languages, SPPU. The proposed centre will facilitate **TORFL (Test of Russian as a Foreign Language)** examinations, an internationally recognised certification in Russian language proficiency, making it one of the first such centres in India.

The Department of Foreign Languages congratulates the selected students and wishes them a successful and enriching academic experience in Moscow.
