1.2 The Tender submitted by the Bidder shall be based on the clarification, additional facility offered (if any) by the Department of Physics, Savitribai Phule Pune University, Pune, and this Tender shall be unconditional. Conditional Bidders will be summarily REJECTED.

1.3 All Bidders are cautioned that a Tender containing any deviation from the terms and conditions, specifications or other requirements and a conditional Tender will be treated as non-responsive. The Bidder should clearly mention in the forwarding letter that his offer does not contain any condition, deviations from the terms and conditions stipulated in the Bidder's document

2. Pre-requisites to participate in the Bidders processed by Savitribai Phule Pune University:

2.1 Enrolment and Empanelment of Bidder on Electronic Tendering System:

The Bidder interested in participating in the Tender of Savitribai Phule Pune University process by using the Electronic Tendering System shall be required to enroll on <https://mahatenders.gov.in> the Electronic Tendering System to obtain a user ID.

After submission of the application for enrollment on the System, the application information shall be verified by the authorized Representative of the Bidder. If the information is found to be complete, the enrolment submitted by the Bidder shall be approved.

The Bidder may obtain the necessary information on the process of enrollment either from Helpdesk Support team or enrolled directly on the website <https://mahatenders.gov.in>

2.1.1 Bidders should have a valid, appropriate class Digital Signature Certificate (DSC) obtained from any Certifying Authorities. In case of the requirement of DSC, interested Bidders should go to <https://mahatenders.gov.in> and follow the procedure mentioned in the document 'Procedure for application of Digital Certificate'.

2.1.2 For any assistance on the use of the Electronic Bidding System, the Users may call the numbers below:

Landline: 020 – 2562 2800

Or

Mobile No. + 918600332257

Sartale
Head
Department of Physics
Savitribai Phule Pune University
Pune - 411 007.

- 2.1.3 Bidders should install the Mandatory Components available on the Home Page of <https://mahatenders.gov.in> under the section 'Mandatory Components' and make the necessary Browser Settings provided under the section 'Internet Explorer Settings'.

2.2 Obtaining a Digital Certificate :

The Digital Certificates are issued by an approved Certifying Authority Authorized by the Controller of Certifying Authorities of the Government of India through their Authorized Representatives upon receipt of documents required to obtain a Digital Certificate.

Bid data/information for a particular Bidder may be submitted only using the Digital Certificate, which is used to encrypt the data during the Bid Preparation. In case during the process of preparing and submitting a Bid for a particular Bidder, the Bidder loses his/her Digital Signature Certificate (i.e. due to a virus attack, hardware problem, or operating system problem); he/she may not be able to submit the Bid online. Hence, the Users are advised to store his / her Digital Certificate securely and, if possible, keep a backup at safe place under adequate security to be used in case of need.

In case of online Bidding, if the Digital Certificate issued to an Authorized User of a Partnership firm is used for signing and submitting a bid, it will be considered equivalent to a no-objection certificate/power of attorney to that User to submit the bid on behalf of the partnership Firm. The Partnership Firm has to authorize a specific individual via an authorisation certificate signed by a partner of the firm (and in case the applicant is a partner, another partner in the same form is required to authorise) to use the digital certificate as per the Indian Information Technology Act. 2000.

Unless the Digital Certificate is revoked, it will be assumed to represent adequate authority of the Authorised User to bid on behalf of the Firm for the Bidders processed on the Electronic Bidder Management System of the Government of Maharashtra as per the Indian Information Technology Act 2000. The Digital Signature of this Authorised user will be binding on the Firm. It shall be the responsibility of partners of the firm to inform the certifying Authority or sub-certifying authority, if the Authorized User changes and apply for a fresh Digital Signature Certificate. The procedure for the application of a Digital Signature Certificate will remain the same for the new Authorised User.

The same procedure holds true for the Authorised Users in a Private / Public Limited Company. In this case, the Authorisation Certificate will have to be signed by the Director of the Company or the Reporting Authority of the Applicant.

For information of the Process of application for obtaining Digital Certificate, the Bidder may visit the section Digital Certificate on the Home Page of the Electronic Bidding System.

2.3 Recommended Hardware and Internet Connectivity:

To operate on the Electronic Bidding System, the Bidders are recommended to use the computer System as per the requirements of mahaBidders.gov.in

2.4 To operate on the Electronic Tendering System of Government of Maharashtra, the Computer System of the Bidder is required be set up as per Bidder requirement to install Utilities available under the section Mandatory Installation Components on the Home Page of the System.

The utilities are available for download freely from the above-mentioned section. The Bidder are requested to refer to the E-tendering Toolkit for Bidders available online on the Home Page to understand the process of setting up the system. Or alternatively, contact the Helpdesk support team for information/guidance on the process of setting up the System.

3. Steps to be followed by the Bidder to participate in the e-tendering process by Mahatender.

3.1 Preparation of online Briefcase

All Bidder enrolled on the Electronic Tendering System of the Government of Maharashtra are provided with a dedicated briefcase facility to store documents/files in digital format. The Bidder can use the online briefcase to store their scanned copies of frequently used documents/files to be submitted as a part of their bid response. The Bidder are advised to store the relevant documents in the briefcase before starting the Bid Preparation and submission stage.

In Case the Bidder has multiple documents under the same type (e.g. multiple Work Completion Certificates) as mentioned above, the Bidder is advised to either create a single PDF file of all the documents of the same type or compress the documents in a single compressed file in .zip or .rar formats and upload the same.

It is mandatory to upload the documents using the briefcase facility. Therefore, the Bidder are advised to keep the documents ready in the briefcase to ensure timely bid preparation.

Note: Uploading of documents in the briefcase does not mean that the documents are available to Savitribai Phule Pune University at the time of Bidder Opening stage unless the documents are specifically attached to the bid during the online Bid Preparation as well as during Decryption.

FORM B-2

General rules for the purchase of Equipment

**DEPARTMENT OF PHYSICS
SAVITRIBAI PHULE PUNE UNIVERSITY, PUNE – 411007,
MAHARASHTRA, INDIA**

**Name of Work: SUPPLY, INSTALLATION, TESTING, COMMISSIONING and TRAINING of
TABLE-TOP X-RAY DIFFRACTOMETER (XRD) SYSTEM at DEPARTMENT OF PHYSICS,
SAVITRIBAI PHULE PUNE UNIVERSITY, PUNE, 411007, MAHARASHTRA, INDIA**

GENERAL RULES AND DIRECTIONS FOR THE GUIDANCE OF BIDDER.

1. All procurement proposed to be carried out through this tender shall be notified through a Tender Notice issued by Savitribai Phule Pune University, Pune and displayed in the office of the Head, Department of Physics and/or published on the Maharashtra e-Tender Portal. The Tender Notice shall be signed by the Registrar, Savitribai Phule Pune University, Pune.

The Tender Notice shall state the work/supply to be carried out, the date and time for submission and opening of tenders, the delivery period, the amount of Earnest Money Deposit (EMD) to be deposited by the Bidder, the amount of Security Deposit/Performance Security to be furnished by the successful Bidder, and such other conditions as may be applicable.

2. In the event of the tender being submitted by a firm, it shall be signed by a person duly authorized to act on behalf of the firm. In the event of the absence of any partner, the tender may be signed on his behalf by a person holding a valid Power of Attorney authorizing him to do so.

2(A)(I). The Bidder shall pay, along with the tender, a sum of ₹2,00,000/- (Rupees Two Lakhs Only) as Earnest Money Deposit (EMD). The Bidder shall pay the said amount through online e-payment only. The EMD shall not carry any interest whatsoever.

2(A)(II). If, after submission of the tender, the Bidder withdraws or modifies his offer, or if, after acceptance of the tender, the Bidder fails or neglects to furnish the Security Deposit/Performance Security within 10 days from the date of receipt of the Letter of Acceptance/Purchase Order, then, without prejudice to any other rights and remedies available to the University, Savitribai Phule Pune University shall be entitled to forfeit the full amount of the EMD deposited by the Bidder.

2(A)(III). In the event of the tender not being accepted, the EMD deposited by the Bidder shall, unless previously forfeited under the provisions of Clause 2(A)(II), be refunded in accordance with the applicable rules and procedures.

3. Receipts for payments made on account of the supply, installation, testing and commissioning of the equipment, when executed by a firm, shall be signed by the authorized signatory of the firm. Where the bidder is a firm, the receipt may be signed in the name of the firm by one of the partners or by any other person duly authorized to issue official receipts on behalf of the firm.
4. The Registrar / Finance & Accounts Officer / Head, Department of Physics, or their duly authorized representative shall open the tenders in the presence of the bidders or their authorized representatives who may be present at the time of opening. The details of the bids received shall be recorded in an appropriate comparative statement. In the event of a tender being accepted, the successful Bidder shall, for the purpose of identification and record, sign such documents as may be required by the University.
5. The competent authority of the University reserves the right to reject any or all tenders without assigning any reason thereof.
6. No receipt for any payment alleged to have been made by a Bidder in regard to any matter relating to the tender shall be valid and binding on Savitribai Phule Pune University unless it is signed by the Head, Department of Physics, Savitribai Phule Pune University.
7. All items recommended for payment shall be verified on the basis of supply, installation, testing, commissioning, and acceptance records maintained by the Department of Physics, Savitribai Phule Pune University, Pune.
8. Under no circumstances shall any Bidder be entitled to claim enhanced rates for any item after submission and acceptance of the tender.
9. The successful Bidder shall produce a valid PAN Card and GST Registration Certificate issued by the competent authorities. Failure to furnish the same may result in withholding of payments by Savitribai Phule Pune University.
10. No foreign exchange shall be released or arranged by Savitribai Phule Pune University, Pune for the procurement, import, supply, installation, testing, commissioning, training, warranty support, or maintenance of the equipment. Any foreign exchange requirement shall be arranged by the Bidder at its own cost and responsibility.

Terms and Conditions

Department of Physics, Savitribai Phule Pune University, Pune, invites tenders for the purchase of a Table-Top X-Ray Diffractometer (XRD) System for the Department of Physics, Savitribai Phule Pune University, Pune, hereinafter referred to as the "BUYER" / "Purchaser", and the Tenderer is referred to as the "BIDDER" / "Supplier".

1. Technical specifications of the instrument are as per the attached ANNEXURE (C):
Technical Specifications for the Table-Top X-Ray Diffractometer (XRD) System.
2. The BIDDER shall submit offers in two parts – Cover No. I shall contain the Technical Bid and Cover No. II shall contain the Financial Bid.
3. The Supplier shall pay and bear all liabilities, taxes, duties, levies, and charges not specifically agreed to be borne by the Purchaser in the Purchase Order.
4. Leaflets, catalogues, brochures, and technical literature shall invariably be attached so that proper evaluation of the equipment offered is possible.
5. Pre-installation requirements for the instrument (power specifications, space requirements, environmental conditions, etc.) shall be clearly mentioned.
6. All communications shall be addressed to:

The Head

Department of Physics
Savitribai Phule Pune University
Pune – 411007, Maharashtra, India.

7. The quantity of items to be procured shall be at the discretion of the BUYER.
8. Accessories and items procured in India shall be quoted in Indian Rupees.
9. GST and other applicable taxes shall be indicated separately. The BIDDER shall mention the GST Registration Number and PAN Number in the offer.
10. **DELIVERY:** The successful BIDDER shall supply, install, test, commission, and demonstrate satisfactory performance of the instrument **within 16 weeks from the date of issue of the Purchase Order.** The BIDDER shall clearly indicate the delivery schedule in the offer.
11. The BUYER shall evaluate technically and commercially acceptable offers through a Technical Evaluation Committee and/or Purchase Committee constituted by Savitribai Phule Pune University, Pune. The Technical Evaluation Committee may include

subject experts from other academic, research, or technical institutions. The decision of the Committee regarding technical suitability, compliance with specifications, and shortlisting of bidders shall be final and binding.

12. CANCELLATION OF TENDER: Notwithstanding anything specified in this tender document, the BUYER, in its sole discretion and without assigning any reason, reserves the right:

- a) To accept or reject the lowest tender or any tender or all tenders.
- b) To accept any tender in full or in part.
- c) To reject any tender not conforming to the terms and conditions of the tender.

13. TERMS OF PAYMENT: The BIDDER shall clearly specify the payment terms in the offer. The BUYER reserves the right to accept, modify, or reject the payment terms offered by the BIDDER. Customs Duty Exemption Certificate (CDEC) shall be provided, wherever applicable, as per Government of India rules.

14. In case any BIDDER is silent on any clause mentioned in this tender document, the BUYER shall construe that the BIDDER has accepted the said clause. No subsequent claim shall be entertained.

15. No revision in the terms and conditions quoted in the offer shall be permitted after submission of the bid, except with the prior written approval of the BUYER.

16. LIQUIDATED DAMAGES: Timely delivery is the essence of the contract. If any consignment is delayed, liquidated damages at the rate of **0.5% of the value of the delayed consignment per week or part thereof** shall be levied and recovered, subject to a maximum of **5% of the total Purchase Order value**.

17. GUARANTEE / WARRANTY: The Supplier/BIDDER shall provide a comprehensive warranty for **36 months** from the date of successful installation and commissioning of the instrument. The Supplier/BIDDER shall also provide a quotation for a non-comprehensive Annual Maintenance Contract (AMC) for a period of **24 months** after expiry of the warranty period.

18. INSTALLATION & COMMISSIONING: The successful BIDDER shall depute qualified personnel for installation, testing, commissioning, calibration (where applicable), and performance verification of the instrument. The successful BIDDER shall make necessary arrangements at its own cost for travel, boarding, lodging, and other expenses of its personnel during their stay in Pune. This shall also include training of University personnel.

- 19. TRAINING:** The BIDDER shall provide adequate operational and application training to the faculty, staff, research scholars, and students of the Department of Physics, Savitribai Phule Pune University, Pune.
- 20. LEGAL MATTERS:** All disputes arising out of or relating to this tender and any resulting contract shall be subject to the exclusive jurisdiction of the competent courts at Pune, Maharashtra, India.
- 21.** If the BIDDER is not quoting directly, the name and address of its authorized Indian agent and representatives shall be disclosed.
- 22.** The BIDDER agrees that if it makes any incorrect statement or furnishes any false information, the BIDDER may be disqualified from the tender process, or the contract, if already awarded, may be terminated.
- 23.** The BIDDER shall deposit the Earnest Money Deposit (EMD) amount specified in the tender document through online payment mode only, as prescribed in the tender document.
- 24.** The Earnest Money Deposit (EMD), wherever applicable, shall remain valid for a period of **180 days from the last date of submission of bids.**
- 25.** No interest shall be payable by the BUYER to the BIDDER on the Earnest Money Deposit for the period of its retention.
- 26.** In the case of the successful BIDDER, the EMD shall be refunded after submission and acceptance of the Performance Security / Performance Bank Guarantee, as applicable, in accordance with the provisions of the tender document.

Table-top X-Ray Diffractometer (XRD)

Technical Specifications

1. General Requirements

- Table-top X-ray Diffractometer for research applications
- Suitable for analysis of:
 - Powder samples
 - Bulk materials
 - **Thin films (Optional)**
- Capable of:
 - Phase identification
 - Quantitative phase analysis
 - Structural analysis

2. X-Ray Source

- Cu K α sealed X-ray tube.
- High-frequency X-ray generator with **minimum output power of 600 W or higher.**
- Operating voltage: Variable, **up to at least 40 kV or high.**
- Operating current: Variable, **up to at least 15 mA.**
- Generator output stability: $\leq \pm 0.1\%$.
- Automatic shutter and complete radiation safety interlocks.

3. Goniometer

- Geometry: Bragg–Brentano focusing geometry (θ – θ or θ – 2θ).
- Goniometer radius: Minimum 150 mm or as per the instrument design.
- Scanning speed: At least 0.01 to 100°/min (2θ).
- Drive system: Precision motorized drive (pulse motor/servo motor or equivalent).
- 2θ scanning range: Minimum 5° to at least 140°.
- Step size: Variable, up to $\leq 0.02^\circ$.
- Angular accuracy: $\leq \pm 0.02^\circ$.
- Fixed or variable divergence slit with suitable optics.
- Capability for low-angle measurements ($\leq 5^\circ 2\theta$): **Optional.**
- Provision for Thin Film / Grazing Incidence (GIXRD) attachment: **Optional.**

4. Detector System

- Solid-state detector (1D strip / position-sensitive detector)
- Detector shall support both 0D and 1D data acquisition modes.
- Count rate: Minimum 1×10^5 cps or higher.
- Fast scan capability: $\geq 10^\circ/\text{min}$ (2θ).
- Detector resolution contribution: $\leq 0.02^\circ$
- Built-in fluorescence/background suppression.
- Suitable for rapid and time-resolved XRD measurements.
- Minimum 100 active detector channels/strips or equivalent detector technology.

5. Sample Handling

- Sample holders for powder and bulk materials

Saltale
Head

- Low-background sample holder (Optional)
 - Multi-sample changer: ≥ 6 samples (Optional)
 - Provision for thin film sample mounting (Optional)
6. Temperature Capability
- High Temperature Stage (Room Temperature to $\geq 500^{\circ}\text{C}$) with Programmable Temperature Controller and compatible XRD sample holder (Optional)
7. Software & Data Analysis
- Integrated control and analysis software (OEM supplied) with five (05) or more concurrent network licenses.
 - Measurement
 - The software shall provide integrated instrument control, data acquisition, real-time visualization, and analysis.
 - The software shall support user-defined measurement parameters, including scan range, step size, scan speed, and measurement modes (continuous and step scan).
 - Data processing: Peak search, Background subtraction, Smoothing and $K\alpha_2$ stripping, Peak fitting / smoothing
 - Analysis capabilities: Phase identification, Quantitative analysis, Rietveld refinement, Lattice parameter / crystallinity analysis
8. Diffraction Database
- Licensed diffraction database (PDF-2) from International Centre for Diffraction Data (ICDD).
 - Licensed diffraction database (PDF-4/ PDF-5+) from International Centre for Diffraction Data (ICDD) (Optional)
9. Computer & Accessories
- Suitable computer system with the latest licensed operating system.
 - UPS backup suitable for the complete system with a minimum backup time of 30 minutes.
 - Essential accessories required for installation, operation, calibration and routine maintenance.
 - Necessary calibration standard(s) shall be supplied.
10. Installation & Training
- Supply, installation, and commissioning at site
 - User training
 - Operation manuals
11. Warranty & Support
- Minimum 1-year comprehensive warranty
 - Service support availability in India
12. Demonstration and Performance Verification
- The technically qualified bidder(s), if requested by the Purchaser, shall arrange a live demonstration of the quoted instrument at an existing installation in India or at another mutually agreed location, at no additional cost to the Purchaser. During the demonstration, the bidder shall acquire experimental data for the sample(s) provided by the Purchaser using the quoted instrument. The bidder shall also submit a certificate from the competent authority of the host organization confirming that the experimental data were acquired using the quoted instrument installed at their facility.
 - The instrument shall successfully demonstrate compliance with the technical specifications of the tender using standard reference material(s) and/or sample(s) provided by the Purchaser. Failure to demonstrate satisfactory performance or compliance with the technical specifications may lead to rejection of the technical bid.

GENERAL INSTRUCTION TO BIDDERS AND SPECIAL CONDITION

1. The Earnest Money Deposit (EMD) paid by the successful Bidder along with the tender shall be retained by the University until submission and acceptance of the Performance Security, as applicable. No interest shall be payable by the University on the EMD.
2. On receipt of intimation from the University regarding acceptance of the tender, the successful Bidder shall be bound to execute the Purchase Order/Contract. The written acceptance by the Bidder shall constitute a binding contract between the University and the successful Bidder, whether or not a formal agreement is subsequently executed.
3. The Bidder shall not assign, transfer, or subcontract the Purchase Order/Contract, in whole or in part, without the prior written consent of the University. In case of breach of this condition, the University shall have the right to terminate the contract and take such action as deemed appropriate.
4. The Bidder shall obtain, at its own responsibility and expense, all information necessary for preparing the bid and executing the contract. The Bidder shall carefully examine the tender documents, technical specifications, installation requirements, site conditions, utilities available, and all other matters relevant to the supply, installation, testing, and commissioning of the instrument.
5. The delivery period specified in the tender document and accepted by the University shall be strictly observed by the Bidder. If the Bidder fails to supply, install, test, and commission the instrument within the stipulated period, it shall be liable for liquidated damages as specified in the tender document.
6. The Bidder shall make its own arrangements for procurement, transportation, insurance, handling, installation, testing, commissioning, and all other activities necessary for successful completion of the supply.
7. The Bidder shall supply equipment, components, accessories, and consumables strictly conforming to the specifications, makes, and standards specified in the tender document.
8. The Bidder shall strictly comply with all applicable safety regulations and procedures during transportation, installation, testing, commissioning, and training activities.
9. The University shall provide the installation space for the instrument. The Bidder shall carry out installation and commissioning activities within the allotted space without

S. Patil

causing disruption to the normal academic, research, and administrative activities of the University.

10. In all cases of omissions, doubts, ambiguities, or discrepancies relating to the tender specifications, a reference shall be made to the Head, Department of Physics, Savitribai Phule Pune University, Pune, whose interpretation and decision shall be final and binding. The Bidder shall be responsible for any errors, omissions, or deficiencies arising during installation, commissioning, or operation of the instrument attributable to the Bidder.
11. The University shall not be liable for any loss, damage, injury, accident, or financial liability incurred by the Bidder, its employees, representatives, or agents during execution of the contract.
12. Any damage caused to University property, infrastructure, utilities, equipment, or installations during transportation, installation, testing, commissioning, or training shall be made good by the Bidder at its own cost. No separate payment shall be made by the University for restoration of such damages.

I/We hereby declare that I/we have read, understood, and accepted the above instructions and special conditions.
