SAVITRIBAI PHULE PUNE UNIVERSITY

SAVITRIBAI PHULE
PUNE UNIVERSITY

— on the occasion of —

ॐ *Nag Panchami* ॐ

invites you to an engaging and informative session on

SNAKES: ॐ

KNOW | RESPECT | COEXIST

The session will cover the **basics of snake biology**, the **common snake species** found in and around our surroundings, and simple methods for **identifying venomous and non-venomous snakes**.

We will also discuss common **myths and misconceptions** about snakes, their **ecological importance**, and the **appropriate actions** to take when encountering a snake.

Through real-life examples and practical insights, the session aims to **replace fear with knowledge**, promote **coexistence**, and encourage **responsible behaviour** towards wildlife and **snake conservation**.
