Lecture series on Leprosy and other Neglected Tropical Diseases

On 31st Jan and 1st Feb 2020

Dear All,

On the occasion of World Leprosy Day (26th January 2020) and World NTD Day (30th January 2020), we are organizing a lecture series of eminent global health experts on Leprosy and other Neglected Tropical Diseases.

The first lecture in this series will be held on Friday, 31st January 2020 between 2:00 to 4:00 PM. The lecture will be delivered by Dr. Chandrakant Revankar, Public Health Medical Consultant for Neglected Tropical Diseases (NTD) and former NTD Officer, World Health Organization-South-East Asia Regional Office. Dr. Revankar will be speaking on Neglected Tropical Diseases.

Second lecture in this series will be held on Saturday 1st February 2020 from 10:00 am to 12:00 noon. The lecture will be delivered by Dr. Pemmaraju Venkata Ranganadha Rao, Technical Officer at World Health Organization, Global Leprosy Programme, South-East Asia Regional Office. Dr. Rao will be speaking on Public Health Aspects of Leprosy.

Venue for both the lectures is Sukhatme Hall at the Interdisciplinary School of Health Sciences, Savitribai Phule Pune University, Pune

Looking forward to your participation.

Regards,

Dr. Aarti Nagarkar
