Dear Sir/Madam

**WEBINAR OPPORTUNITY TO PARTICIPATE IN ENVIRONMENTAL SKILLS TRAINING**

The CEO and Directors of the Australian Institute of Water Sciences together with the Savitribai Phule Pune University Research Park Foundation will be delighted to have the pleasure of your company at our vitally important webinar to be held from 03.00pm IST on the Monday 18<sup>th</sup> January 2021.

The purpose of this webinar is to invite strategic education institutes, colleges, and universities to participate in a unique collaboration to provide much needed internationally accredited environmental skills training in Water, Waste Water, Solid Waste, Hazardous Waste and E-Waste.

As you know, natural resources and environmental pollution and damage represents the single greatest challenge facing the great continent and nation of India

This webinar will not only invite you to join us in this remarkable initiative but demonstrate how your institution and your students can benefit directly both in prestige and financially as a result of your participation in this program.

We are very much looking forward to seeing you.

Regards
