Applications are invited for ~~one~~ post of Project Assistant at the Department of Electronic Science, Savitribai Phule Pune University, to work on project "SEAMS" (Space Electric and Magnetic Sensor) for very low frequency radio astronomy (0-16 MHz) :

Number and Name of the post :	One, Project Assistant
Category of post :	OBC category
Fellowship :	Rs. 30,000
Duration of the project :	Till 31 st March 2022

The project is aimed at designing a payload to be deployed on the PSLV fourth stage (PS4 platform). The Project Assistant is expected to work on Antenna design and deployment, and design of LNA's Filters related to the RF front end and data analysis. Considering the limited time available in the project, other category students can also apply and if suitable OBC category candidate is not found for the post, candidate from other category will be considered.

Eligibility and Necessary Qualification for Project Assistant:

M.Sc. in Electronic Science / BE E&TC with experience in RF and antenna design. Work experience in the field of Antenna, RF design is desirable.

Plain-paper application, including a covering letter and a resume/CV, addressed to Dr. Mrs. D. C. Gharpure, Department of Electronic Science, Savitribai Phule Pune University, Pune 411007, should be submitted in the Office on or before 28th July 2021 or sent via email to officedoes@gmail.com. Resume should include: full name, contact information (address, email, and contact number), date of birth, educational qualifications and relevant experience.

Shortlisted candidates will be sent an email regarding the interview details.
