GENERAL NOTIFICATION

The Regional Cum Facilitation Centre - Western Region (RCFC - WR), National Medicinal Plants Board, Ministry of AYUSH, Government of India has been sanctioned to Department of Botany, Savitribai Phule Pune University, Pune, Maharashtra (A-11019/RCFC-07/2019-20-NMPB-III dated 18/02/2020). The jurisdiction of the centre comprises of 4 states viz. Rajasthan, Gujarat, Maharashtra & Goa and 1 union territory Dadra & Nagar Haveli and Diu & Daman. As per the objectives, the centre would like to produce Quality Planting Materials (QPMs) of different medicinal plants for cultivation/plantation in its jurisdiction.

For the production of QPMs, we invite applications from interested institutes / organizations / universities / government departments / NGOs / charitable trusts / small self-help groups / progressive farmers, nurseries and etc. The interested institutes / individuals may apply through email at rcfc.wr.sppu@gmail.com or by post. While submitting the applications please mention all the essential details like name of the institute / person, postal address, contact details (must include active phone/mobile number & email address), experience in this field, infrastructure available, technical knowledge for QPMs production, minimum and maximum quantity which can be produced and any other relevant information about the applicant. The lists of demanded and Rare, Endangered & Threatened (RET) species and RET species endemic to the western region are enclosed for your reference (Annexure – I, Part A & B). Kindly select the species from the given lists only.

Please attach the information with applications and send it to the P.I. & Regional Director, RCFC-WR, Dept. of Botany, SPPU, Pune - 411007 (Maharashtra) on or before **25/10/2021**. Applications received after the last date will not be considered under any circumstances. The list of medicinal plants species for QPMs production is attached here with.

All the applications received within stipulated time will be scrutinized by an expert committee and the selected institutes / persons will be communicated accordingly. The rights for accepting or rejecting the applications are reserved with Principal Investigator and Head of the Department.
