Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		The Savitribai Phule Pune University has given the academic departments of the University have autonomy for conduct of Programs. The decisions with regards to teaching and examination related activities are taken by the Schools and departments individually, under the guidelines issued by the State Government, UGC and the University. Every degree program follows the Credit Based Continuous System (CBCS Pattern). Due to the Covid-19 pandemic, there was a delay in admitting students to the University and the academic calendar was completely disturbed. The lock down ensuing the pandemic mandated that this year the teaching was done using Online Platforms. The transformation to the digital technology was a huge challenge. The two platforms used were MS-Teams and Moodle, which were suitably modified for the University purpose. The completion of syllabus was therefore dealt with in different manner in the University departments. In some departments, the teaching hours per week were increased and the duration of semester was reduced, to compensate for the lost time. Online examinations were conducted using Moodle system. Large scale teachers training was conducted to ensure that all teachers became adept with the use of technology for online teaching. Training was conducted for visiting faculty also. The intensive training ensured that more than 10,000 resources were generated. To enable students to learn anytime, a large number of online resources were generated and hosted on the university website. The resources were shared with all students, irrespective of their affiliation and the website garnered from than a million hits within a month. The University departments bring the information about latest developments in their subject areas by inviting the experts from industry and other national and international academic organizations. The online technology enabled students to learn from teachers across the globe. Changes in the pedagogy was essential in the lock down time period. Projects were conducted by the students by guidance was provided online. Practical Demonstrations of Science practical was also conducted using the online technology. Skills set development, a necessary part for enhancing employability of students was redesigned to online teaching pedagogy. The University enhanced its Wi-Fi capacity to ensure uninterrupted online teaching. The teachers and students with support from University Authorities have been successful in completion of syllabus.
