**(Coaching Programme for  
Combined Defense Services – CDS)**

### **Introduction**

The Competitive Examinations Centre (CEC), Savitribai Phule Pune University, has been running coaching schemes for entry into services such as UGC - UPSC/MPSC for Civil Services Examinations, Integrated Course for Administrative Careers, Short-term Coaching, and Remedial classes. The Competitive Examinations Centre is starting new vertical, eight-month coaching classes for the Combined Defense Services exam, which UPSC conducts to recruit Commissioned Officers in the Indian Military Academy, Officers Training Academy, Indian Naval Academy, and Indian Airforce Academy.

It has been observed that many students enrolled at colleges for undergraduate courses are preparing for CDS examinations besides Civil Services Examinations and some preparing for defense services alone. The Defense Services hold a promising and challenging career, thanks to their objective, training, professional skills, salary and perks besides other facilities and benefits. CDS examinations conducted by the UPSC are on par with the NDA examinations though the eligibility criteria are different.

Some of the students enrolled for UPSC civil services also simultaneously prepare for CDS and have requested support for the SSB interview. CDS as a coveted career option for the undergraduate students may diversify their options, influencing their aspiration and career choices. Considering this path to Defense Services through CDS as a viable and attractive career option, the Centre is going to work for the same. The Centre has necessary infrastructure, expertise and resources for running this course.

### **Objectives of the Course:**

- To help undergraduate & post undergraduate students to join Defense services through CDS as a viable career option.
- To provide necessary support and skills for the SSB interview.
