Instructions for candidates who wish to apply for 5-year integrated MSc (Biotechnology) course of Dept. of Biotechnology (jointly merged with IBB)

- 1. Please create a login in one campus portal/admission portal and get your email verified.
- **2.** Login using the username and password and create your personal and academic profile (SSC and HSC).
- While creating your academic profile, please ensure you chose "special subject/s" and amongst the many given options you must chose the option "HSC in Science of any recognized board in India with minimum 60% marks for open category AND 55% marks for reserved category". Please see the dummy profile created for your ease (below). Notice the portions encircled in red dotted lines.

My Academic Information

Remove	Degree Exam Type	Degree Exam Name	University Borad Name	Result Type	Passing Month & Year	PRN	Special Subject/s	General Subject/s	Marks Obtained	Marks Out Of	Percentage	CGPA Obtained	CGPA Out Of	Grade
<u>Remove</u>	SSC	SSC	CBSE	Passed	Mar- 2021			Basic Qualification : CBSC with 10th standard,	373.00	500.00	74.60			
<u>Remove</u>	HSC	HSC	CBSE	Passed	Mar- 2023	·	HSC in Science of any recognized board in India with minimum 60% marks for open category & amp; 55% marks for reserved category.,		347.00	500.00	69.40			
						`.		-'						

Add Academic Information to your Profile

4. After creating the academic profile, you must go to the dashboard and chose the course as shown below (again see the portion encircled in red dotted lines). Go to dashboard and first click on apply for course followed by selecting science and technology and then click on MSc Biotechnology Five years course.
