THEME OF THE WEBINAR

Constitution Day also known as Samvidhan Divas & it is celebrated in our country on 26th November every year to commemorate the adoption of the Constitution of India. On 26th November 1949, the Constituent Assembly of India adopted the Constitution of India, which came into effect from 26th January 1950. The Ministry of Social Justice and Empowerment on 19th November 2015 notified the decision of Government of India to celebrate the 26th day of November every year as 'Constitution Day' to promote Constitution values among citizens.

Department of Law, SPPU has been celebrating it since 2015 and this year Department is organizing the webinar on the 'Significance of the Fundamental Duties.'

The nation is what the citizens are. If the citizens of a nation do not work for the progress of their nation, then that nation cannot progress. The entire responsibility rests upon the citizens to take their nation to new heights. In India, sovereignty lies in the hands of citizens of India. It is the citizens' responsibility to take upon their shoulders the task of seeing that order, justice and freedom are maintained. It is our duty to see that our country stands out among the comity of nations as the foremost example of racial, ethnic, communal and religious harmony. We have duties towards our Motherland. Awareness of our duties is as important as awareness of our rights. Man does not live for himself alone. He lives for the good of others as well as of himself. Citizens should work for the betterment of their nation to improve life of all. Rights flow only from duties well performed. If everyone performs his/her duty, everybody's rights would be automatically protected. We must render our duties towards our country diligently and faithfully.
