for
Three Years Integrated Course for Administrative Careers (ICAC)
BLENDED MODE (Online + Offline)
ICAC BATCH 02 (2020-2023)

Applications are invited for admission to **Three Years Integrated Course for Administrative Careers (ICAC)**

Administrative careers have started emerging as one of the most coveted career choices. Youth in Maharashtra have begun to see this as a challenging but secure, desirable and viable career option to professional courses like medical or engineering. In view of the growing demand for competent coaching to aspirants for the UPSC Civil Services Examinations, the CEC started a course Three Year “Integrated Course for Administrative Careers” in December, 2019, focused on UPSC Civil Services preparation, students’ capacity building through training in different skills and strengthening their core subject areas from the basics upwards.

Due to the prevailing pandemic situation in the state, the Centre has decided to restructure the **ICAC Course from offline to blended mode**. In this course **80 %** of the academic activities will be conducted through **online mode** and **20 %** (intermittent guidance & meetings, test series, personality development sessions, mock interviews and mock test etc.) through **offline mode**, after taking due precautions.

The Blended ICAC Course will have two levels, viz. two years undergraduate and one year of the post graduate studies, comprising training (academic syllabi and skill based, such as language, writing skills, communication etc) modules. The course (ICAC Blended Mode) has been designed in order to **cater to the needs of aspiring youth from Pune and outside Pune, currently pursuing graduation from the colleges affiliated to the SPPU, who seek to make career in the Civil Services. The blended course will not be constrained by time or space, allowing students from places other than Pune to partake of the course, without getting dislocated.**

THREE YEARS INTEGRATED COURSE FOR ADMINISTRATIVE CAREERS (ICAC)

Blended Mode (online+offline)

Administrative careers have started emerging as one of the most coveted career choices. Youth in Maharashtra have begun to see this as a challenging but secure, desirable and viable career option to professional courses like medical or engineering.

In view of the growing demand for competent coaching to aspirants for the UPSC Civil Services Examinations, the CEC started a course **Three Year "Integrated Course for Administrative Careers"** in December, 2019, focused on UPSC Civil Services preparation, students' capacity building through training in different skills and strengthening their core subject areas from the basics upwards.

The course commenced with the Basic NCERT Module (Semester I). Students were provided with requisite exposure to the means and methods of UPSC CSE preparation along with the necessary infrastructure and the academic support. The overall response of students has been very encouraging. After the onset of Covid-19 pandemic and the directives from the University, the Centre discontinued the regular classroom sessions and started conducting the remaining ICAC Course through **Online Mode**. Due to active participation of students and appreciation from the parents we were able to successfully complete all the lectures/topics, test/assessment planned for the Semester I as per the schedule.

On the basis of the above experience and the prevailing pandemic situation in the state, the Centre has decided to **restructure the ICAC Course** from offline to blended mode. In this course **80%** of the academic activities will be conducted through **online mode** and **20%** (intermittent guidance & meetings, test series, personality development sessions, mock interviews and mock test etc.) **through offline mode, after taking due precautions.**

The **Blended ICAC Course** will have two levels, viz. two years undergraduate and one year of the post graduate studies, comprising training (academic syllabi and skill based, such as language, writing skills, communication etc) modules.
