

# CMBC-2019

## National Conference on Cellular and Molecular Basis of Cancer : Molecules to Mechanisms 7<sup>th</sup> to 9<sup>th</sup> Feb 2019

Department of Biotechnology, Savitribai Phule Pune University, Pune 411 007

Cancer continues to be one of the major causes of mortality across the world. With advances in science and technology, the landscape of molecular mechanisms of cancer has dramatically changed over the past few decades. In the present scenario, cancer is being understood as an evolving ecosystem where multiple mechanisms coordinate in synergy for the progression of the disease. Evolving tumor heterogeneity, drug resistance, aggressive recurrence after drug holidays, lack of concrete treatment modality for metastasis are some of the challenges in the mainstream of cancer management. CMBC 2019 is intended for providing a platform to students, scientists, pharmaceutical industry and clinicians to present their research findings and build a collaborative research network for identifying the novel therapeutic approaches for the effective management of cancer.

### AUDIENCE

This conference will involve all those who are involved in different areas of cancer biology. This will include graduates, post graduates students, research students, post-doctoral candidates, scientists, academicians, clinicians and the people involved in industries.

### REGISTRATION

Category	Registration fees*
Student	2000
Post Doc/RA	2500
Faculty	3000
Industry Personnel	5000

\*Includes conference kit, refreshments and Lunch

Limited paid accommodation is available in University Campus

For registration login at :

<https://events.unipune.ac.in/apps/applicant/login.aspx>

### CALL FOR ABSTRACTS

Abstracts for oral (short talks) and poster presentations may be submitted after registration.

**For more details visit :**

<https://events.unipune.ac.in/sites/biotech/Abstract.html>

### EXHIBITION

Industries and institutes are invited to exhibit their scientific products and services at the conference. For further details contact : [cmbcsppu@gmail.com](mailto:cmbcsppu@gmail.com)

### TOPICS FOR SCIENTIFIC SESSIONS

- Immunotherapy
- Epidemiology
- Metabolism
- Cancer Stem cells
- Epigenetics
- Novel therapeutic targets
- Omics approaches
- Molecular Signaling
- Non-coding RNAs
- Nanobiotechnology
- Tumor heterogeneity
- Drug resistance
- DNA Damage

### LIST OF SPEAKERS

Prof. R N K Bamezai, JNU  
Prof. Tapas Kundu, CSIR-CDRI  
Prof. Samit Chattopadhyay, CSIR-IICB  
Dr. S. V. Chiplunkar, ACTREC  
Dr. Anjali Shiras, NCCS  
Dr. Manas Santra, NCCS  
Dr. Pritha Ray, ACTREC  
Dr. Mayurika Lahiri, IISER  
Dr. Mausumi Bharadwaj, NICPR  
Dr. Jayant Khandare, MIP

### ORGANISING COMMITTEE

#### Patrons

Prof. Nitin Karmalkar,  
Hon. VC, SPPU, Pune.

Dr. N. S. Umrani,  
Pro-VC, SPPU, Pune.

#### Convener

Prof. R. N. Gacche,  
Head, Dept. of Biotechnology,  
SPPU, Pune.

#### Organising Secretaries

Dr. Santosh Kathwate;  
Dr. Smriti Mittal,  
Department of Biotechnology,  
SPPU, Pune.

#### Committee Members

Department of Biotechnology,  
SPPU, Pune.

~ Last Dates for ~

Abstract submission:

31<sup>st</sup> December 2018

Registration:

15<sup>th</sup> January 2019
